

## SEEN Programme – Teacher survey links

### Lesson 1 survey

This survey tells us you are teaching the lessons. Otherwise we might not know! It is very short (only about 1 minute to complete), but tells us your school name, class and number of students. It helps us to report how many schools and students have received the SEEN lessons.

### Post-lesson survey

This survey tells us you have finished teaching the SEEN lessons and gathers your feedback on the content and resources. It helps us to make improvements for other schools.
